GLOBAL ACADEMY OF TRAINING AND RESEARCH

Global Academy of Training and Research (GATR) is a registered research firm in Malaysia that provides platforms for academics to excel. It publishes journals, books, and provides research services in a wide range of disciplines. GATR aims at encouraging young scholar, trainers, academic & corporate researchers to conduct meaningful research and provide useful knowledge for academic and socioeconomic development of their respective nations. The academic outfit also organizes seminars, workshops, conferences, symposiums, world forum and academic tours. GATR has initiated the journey from Malaysia and has an ambition to serve humanity around the Globe.

MISSION

Global Academy of Training and Research is "dedicated to serving" people around the world with outstanding training and research services, including workshops, seminars, conference and publishing service. We strive for developing a great platform to contribute for society and better civilization in the world.

VISION

To become the number one global company in training and research

RECOGNIZED BY

SSM, Malaysia

WELCOME MESSAGE

After the outstanding success of the three consecutive Global Conferences on Engineering and Technology series in Malaysia and Indonesia for the past two years, it is my pleasure to enlighten you that, Global Academy of Training and Research (GATR) is organizing the 4th Global Conference on Engineering and Technology (4th GCOET) 2018 at Colombo, Sri Lanka on 20th to 21th August 2018.

The GCOET 2018 will feature plenary sessions by some of the world's leading thinkers and innovators in the field, as well as numerous parallel presentations, by researchers and practitioners. This year's plenary speakers include:

- **Professor Dr. Emeritus Bernard P. Zeigler** (University of Arizona, US)
- **Professor Dr. Seeram Ramakrishna** (National University of Singapore, Singapore).
- **Professor Dr. Sanjay Misra** (Covenant University, OTA, Nigeria)
- **Professor Dr. Muhd Fadhil Nuruddin** (Universiti Teknologi Petronas, Malaysia)

The conference theme is a crucial and timely one, since we look at conflicts within and between individuals, communities and societies. We also look into the resolutions and alliances. The program promises to be exciting, with thematic topics addressing the main aim of the conference in various fields. It will be enhanced through its wide variety of presenters with diverse experiences and knowledge, promising a stimulating and challenging discussion along with intellectual discovery.

I look forward to welcoming the participants to this exciting conference, which will bring together world leaders in their respective fields in the fascinating environment of Colombo. The city has become a great tourist attraction like Galle Face Green, National Museum of Colombo, Gangaramaya Temple and many more.

Warm regards,

Prof. Dr. Abd Rahim

Head Global Academy of Training & Research (GATR), Malaysia.
Conference Chair, Global Conference on Engineering and Technology (GCOET) Series.

ABOUT 4TH GLOBAL CONFERENCE ON ENGINEERING AND TECHNOLOGY

The 4th Global conference on Engineering and Technology (GCOET) 2018 will take place in Colombo, Sri Lanka from 20th to 21th August 2018.
